Vatom Investor Memo

DISCLAIMER

This document is being shared with you to assist you in learning about our business, either as an investor or employee. The information contained herein, and any discussion regarding it, including answers to questions by management or employees of People Center, Inc. (d/b/a Rippling and including its subsidiaries, the "Company"), are strictly confidential and may not be reproduced or redistributed in whole or in part, nor may their contents be disclosed to any other person or entity. By reviewing this document, you agree to keep it and any additional information the Company provides confidential and to not disclose any of the information to any other parties without the Company's prior express written permission. In addition, this information may be subject to an existing confidentiality provision in a non-disclosure agreement, investor rights agreement or other agreement between you and the Company, in which case, the terms of such other agreement shall apply. This document and its contents are not, and should not be construed as, a recommendation, promise or representation by the Company or any officer, director, employee, agent or advisor of the Company. This document does not purport to be all-inclusive or to contain all of the information you may desire regarding the Company. This document also includes forward-looking statements, including statements regarding our business operations, strategy and prospects. Such statements may be identified by words such as "anticipate," "believe," "continue," "could," "estimate," "expect," "hope," "intend," "may," "might," "should," "would," "will," "understand," and similar words. These forward-looking statements are subject to risks and uncertainties, including that our business may not develop as envisioned and general macro-economic risks. You should not rely on these forward-looking statements, as actual outcomes and results may differ materially from those contemplated as a result of such risks and uncertainties. All statements in this document are based on information available to us as of March 25, 2024, and we disclaim any obligation to update the information provided to reflect events that occur or circumstances that exist thereafter.

The World's Largest Brands Choose Vatom

With ten million people globally engaged and growing, Vatom is demonstrating its ability to enhance customer relationships and brand loyalty using Vatom's advanced technology. The Vatom platform allows enterprise partners to provide fun, simple, intelligent engagement at scale.

How it Works:

Why Vatom:

- The Vatom team brings extensive expertise in audience engagement, data management, eCommerce, artificial intelligence, and analytics
- The Vatom platform is vetted and proven by the world's leading brands
- Our scalable business model ensures high growth and profit margins
- 95% of executives believe that innovative use of AI will greatly expand opportunities across industries

Vatom Delivers Superior Results:

PepsiCo / FIFA: Pepsi's FIFA World Cup Engagement Campaign

- Over 400K registered users
- 2 Million visitors
- 36% shared with a friend
- 60% returning customers
- 20% conversion rate compared to 2.1% with paid social
- CAC (*customer acquisition cost*) \$1.50 vs. traditional \$22

FIFA WORLD CUP
Qatar 2022

PEPSICO

State Farm: NFL Football Find (Viral Campaign)

GOAL:

- Engage 10k consumers in in 4 days
- Collect 500k digital footballs

RESULTS:

- **Surpassed goal in the first 4 hours**
- 10x goal with nearly 100k consumers engaged
- 3x results with over 1.5m digital footballs collected
- Over 70k rewards distributed

iHeart: Live Events & Sponsorship

- Conversion rate 65% of attendees who clicked registered
- 80% active engagement, people that registered played
- 90% prize redemption, people that won, claimed their prizes
- Contactless conversion, no talking, people just scanned and played

Google Accelerate: Annual Cloud Computing Summit

- 20k+ concurrent users
- 78% returning users
- Vatom virtual space saw 98% of the attendees spend an average of 48 minutes dwell time
- The traditional site saw less than 2% of the attendees spent under 4 minutes on average
- (twitter and tic tok average less than 10 minutes dwell time)

Why Vatom Works:

- Most businesses reach customers through ad networks, which charge high fees for access. With Vatom, businesses can connect directly with users and increase value at both ends

FROM INDIRECT

TO DIRECT

The Vatom platform delivers a smarter way to engage customers:

An Intelligent Engagement Channel:

- Enable more immersive & engaging experiences
- Support for customer acquisition strategies
- Robust loyalty & rewards management
- Scalable and mass market friendly
- Cutting edge integration and interoperability, made easy
- Safely and directly collect zero & 1st party data
- Data is converted into actionable insights that can help optimize and personalize programs in real-time

Hyper-Personalization At Scale:

- Personalized & dynamic communications that dramatically increase Customer Lifetime Value (LTV)

Unbeatable ROI:

- Consistently deliver a superior ROI, with KPIs that eclipse industry benchmarks by wide margins

Flexible / Interoperable:

- Designed to enhance and modernize existing infrastructure and legacy systems, while operating as a hub to integrate additional third party tools and vendor applications

Vatom Products & Services

Smart Digital Objects

Programmable digital assets that come alive with 3D graphics, animation and video. Vatoms enhance real-time user interaction and engagement on and off chain, across games, venues and events.

Branded Universal Wallet, Native App and SDKs
